

COMMONWEALTH OF PENNSYLVANIA
OFFICE OF THE GOVERNOR

JEN SWAILS
SECRETARY
GOVERNOR'S OFFICE OF THE BUDGET

December 23, 2020

J. Patrick Killian, Executive Director
Redevelopment Authority of Delaware County
100 W. 6th Street, Ste. 100
Media, PA 19063

Dear Mr. Killian:

Governor Wolf has authorized the release of \$900,000 in Redevelopment Assistance Capital Program (RACP) funding for the PSA PHCC Apprentice School Renovation project in Delaware County. This project is eligible to receive funding via legislative authorization in the Capital Budget Project Itemization Act(s) of 2013-085. Please note that RACP monies will not be paid out until (a) an RACP grant agreement has been fully executed between you and the Commonwealth, and (b) you have complied with all RACP program and grant agreement requirements as set out in the grant agreement and in the program guidelines.

This correspondence shall serve as written notification authorizing the preparation and submission to the Office of the Budget of a formal and complete Redevelopment Assistance application for the project. The Application Materials Handbook contains the necessary forms and instructions for the preparation of the application. The RACP application *must* be submitted in electronic format (PDF) via upload to an RACP FTP site. Hard copies or electronic copies *on a CD or Flash Drive* are no longer required. Access instructions to the FTP site, along with a unique Username and Password, will be *emailed* to you within approximately 3 weeks of receiving this letter. The RACP Application Handbook, available on our website (<http://www.racp.pa.gov>), contains the necessary instructions for the preparation of an application and provides the information you will need to upload it to our FTP site. Please note that *Special Conditions* are also now required to be submitted electronically as a PDF file via upload to the RACP FTP site. *Special Conditions* are outstanding documentation that is required to be submitted prior to an entity being eligible to receive grant funds. They are found in Appendix B of a typical RACP Grant Agreement.

As you are aware, RACP funding is intended to provide much needed economic stimulus to the Pennsylvania economy and it is intended to assist in the immediate creation of quality, family-sustaining jobs for Pennsylvanians. In completing the application for the RACP grant, please include sufficient information and documentation indicating this project's estimated economic impact and the potential for job creation. **To be eligible for this award in accordance**

with RACP statutes, you must notify the Office of the Budget if you accept the grant within 30 days of receiving notification of approval via an official correspondence.

As one of the selected recipients of the limited amount of RACP funding available, your organization now has the significant responsibility of ensuring that these funds are utilized for economic development in a timely manner. Therefore, it will be the policy of this Administration to require that **all recipients of RACP funding MUST submit their application within six (6) months of the date of this letter.** Failure to submit the required RACP application within this timeframe may lead to the termination of any commitment of funding contained herein. It is important to note, however, that according to existing law, applicants must be able to demonstrate that at least 50% of the required non-state funds necessary to complete the project are secured at the time of the application. Failure to document the 50% non-state funds will preclude the Office of the Budget from accepting the application and drafting a grant agreement. It is also important to stress that a Resolution from the eligible applicant authorizing the submission of the application for Redevelopment Assistance Capital Grant funding should be provided as part of the application.

Additionally, once the grant agreement is fully executed for the RACP funding, your organization will then have a maximum of six (6) months to meet the terms and conditions of the grant agreement and begin construction of the project. Failure to begin construction of the project within six months of the final execution of the grant agreement may lead to the termination of the funding commitment.

Whereas this project has now been authorized to receive RACP funding, you should know that the grant agreement you will execute requires compliance with bidding and the payment of prevailing wage rates as a condition of the contract among other requirements. Questions about prevailing wage rates and how they may affect your project's construction contracts should be directed to the Bureau of Labor Law Compliance, Department of Labor and Industry at 717-787-4671. Failure to comply with these requirements may result in the loss of this funding and return of any funds already provided to your project by the Commonwealth.

Your assistance in this matter is greatly appreciated and the Commonwealth of Pennsylvania looks forward to working with you for the successful completion of this project.

Sincerely,

Jen Swails
Secretary of the Budget
